This debate is going to be a big one. As we get closer to picking the person to take on Donald Trump next year, voters want to hear the issues they care about discussed on stage.

And you could be there in the audience when Joe talks about all of the issues we're fighting for, like rebuilding the middle class, restoring respected leadership on the world stage, and making sure our democracy works for everyone.

So, will we see you there? [Chip in right now and enter to win a FREE trip for you and a friend to watch the third Democratic debate LIVE in Houston!](#)
