Hi Mrs. Hultquist,

Thanks so much for your quick response - that means a lot! I'm cc'ing our Family Support and Education Specialist from the CHOP Gender Clinic Samantha King here as well. Samantha please meet our wonderful principal of Edgewood Elementary School in the Pennsbury School District - Mrs. Stephanie Hultquist!

Next Friday, March 12 at 10:00 am works best for me. Samantha would this time work for you to virtually join me, Mrs. Hultquist, and the guidance counselor Mrs. Axler, to discuss a plan for [REDACTED] starting kindergarten this fall?

Looking forward to this!!

Once confirmed, I will send out a google meet link invite. Just let me know the email address of the CHOP counselor so we can include her in the invite.

Best,
Stephanie

Good Morning, [REDACTED],

Yes, [REDACTED] had fun at the virtual party! Incredible how we are all having to adjust to new ways of celebrating birthdays with life at the moment!

Regarding [REDACTED], we are certainly excited to welcome her and support you and your family. Yes, we can certainly arrange for a meeting. Let me fill in our school counselor, Mrs. Axler, and we will look to schedule with you for sure. I will follow-up with a potential date/time shortly.

Best,
Stephanie

Hi Mrs. Hultquist!

I hope you are doing well ! We really enjoyed having your daughter [REDACTED] at [REDACTED] virtual birthday last month!

I wanted to reach out as we are about to register [REDACTED] for kindergarten next year. [REDACTED] is transgender, and I was hoping to meet with you and the Edgewood guidance counselor, along with a counselor we've been working with at the CHOP Gender Clinic, to make a plan together for how we can best support [REDACTED] at Edgewood. We've been working with the CHOP Gender Clinic for about a year now and they have incredible resources for families with gender diverse youth - including helping kids get started with their new schools!

Would you and the guidance counselor be available for a zoom meeting in March?

Thanks so much!
