

Joint Study Councils Meeting

Leadership for Equity Series: *Actualizing Equity Systemically and Systematically*

DATE: Thursday, April 15, 2021
TIME: 9:00 am – 11:30 am
PLACE: Zoom video conference
(link and password will be sent out the day prior)

This session will deepen understanding of the now-familiar concepts of Radical Growth Mindset and Racial Literacy/Mindfulness. Through engaging authentic leadership challenge scenarios, we will work together to cultivate skills necessary to being equity literate and to serving as lead equity advocates.

Led by Dr. Sharon Ravitch, Practice Professor in GSE's Teaching, Learning and Leadership division, we will explore how to create the conditions to build your own and others' equity agency, literacy, and sense of empowerment in ongoing flux.

As a central part of this process, we will identify the traditions and structures you bump up against as you strive towards equity in your districts and teams. We will strategize these challenges systematically and, in the process, support you as you cultivate an equity vision for the new school year.

You are invited to bring two guests with you to this session.

The Zoom meeting will be password protected and will have a "waiting room" set up so we can make sure to only admit people who have previously RSVP'd.
