Hola hola,

I hope y'all are doing well and finding some time to rest -

Thank you for your interest in tabling at CPS' annual Galaxy Summit on May 20th at UIC Forum. The resource fair will take place from 1-3pm and provide attendees with the opportunity to learn about the resources and opportunities that community based organizations throughout Chicago offer.

Tables and chairs will be provided. Based on the amount of interest, we may need to limit the invitations to organizations that work directly with LGBTQ+ youth, TGNC youth of color, and other marginalized groups. Can someone from your team fill out this [interest form](#)?

I was also able to check-in with my team about having condoms at the resources fair and yes, CPS vendors are allowed to make condoms available for students. We are waiting to hear back to see if we can also make Naloxone available. I'll keep you posted once we hear back.

Let me know if you have any questions or concerns!

Gracias,
