Subject: payment for Jose as a vendor

We are sponsoring Jose's performance at the Galaxy Summit (CPS GSA summit), we will be invoicing CPS for \$500 to cover the cost, send invoice to Derrick Little (ddlittle8@cps.edu), then we will pay Jose as a vendor \$500.

We want to make sure we can pay him (separate from his education work). Zeke can you send Jose a w9 to fill out and any other info about what you need.

Zeke can you also send an invoice to Derrick at CPS CCed her for \$500 for summit performance on 5/20/23.

If I'm missing anything or there are questions, I just wanted to get a thread started.
