Good morning!

We are enthused by the prospect of featuring Youth Leaders of your program at the summit. Adam recommended Yamali & Shirly Rodas. I haven't reached out because I need their emails. If they're still interested, I'd love to work with them!

Thank you Derrick. With Adam out I'm including T & Claudio from our YLH program. So \$500 of this Lurie will be paying back out to Jose for all the Drag Performance Joy! And \$1000 will be going to our Youth Leaders in HIV budget (to pay youth leader and staff time and travel for the day).

T & Claudio one, of the Youth leaders applied to give a GSA sex Ed presentation at the summit. With Adam out I'm I correct to think that T would be the adult support. T was planning to table anyway with Natalia. Derrick can you share the name of the youth leader and the time of the workshop. I can adjust our calendar invite for the day. This would then count as one of our GSA sex Ed presentations for this year. Let me know if this all sounds right.

Gratitude to all, so excited our youth leaders can have this opportunity. Just wanted to make sure with Adam out that I'm not missing anything.
