

DAILY CALLER NEWS FOUNDATION

Our records indicate you separated from military service as a result of the COVID-19 vaccine mandate for members of the Armed Forces, which was rescinded by the Secretary of Defense on January 10, 2023 and by the Secretary of the Air Force on January 27, 2023.

Should you desire to request consideration of a correction to your separation records, including records regarding the characterization of your discharge, you may submit a request to the Air Force Discharge Review Board (afdrb-postal.ccc.af.mil@board-info/drb/masbar) or the Air Force Board for Correction of Military Records (afbcmr-postal.ccc.af.mil@board-info/bcmr/masbar).

Additionally, if your initial separation code allows you to receive subsequent Board relief and desire to apply to return to service, please contact your local Air or Space Force recruiter who can guide you through that process. You can locate an Air Force recruiter by visiting <https://www.airforce.com/find-a-recruiter> or a Space Force recruiter by visiting <https://www.spaceforce.com/find-local-recruiter>. If you desire to enlist in another service, please contact a local recruiter for that military branch.

Sincerely,

Total Force Service Center
