Re: Intent to Award Notice for Bid Solicitation S-16500-40077

The Oregon Secretary of State's Office has completed the proposal evaluation process and as a result of the scoring, Logically AI, Inc. received the highest score and is the apparent successful proposer.

We have attached a summary of the scoring results. The Secretary of State will not be moving forward with Solution Demonstration (Round 2), as the RFP had indicated in Section 4.

We appreciate the time and effort made by your company in submitting a proposal. The Office of the Secretary of State looks forward to working with your firm. If you have any questions regarding the selection process, please contact me.

Sincerely,

Camber Schlag, Chief Procurement Officer
