GAL Cultural and Diversity Considerations – ONLINE Course

Evaluators are asked to assess many different families, including those from countries and cultures that are different than our own. In this module faculty will discuss topics of cultural awareness, cultural humility and implicit bias that can impact the data you review and recommendations to the court. Faculty

will discuss different biases such as gender, religious, racial, and ethnic bias as well as provide resources and suggestions for building cultural competence.

Supporting LGBTQIA+ Youth - VIDEO Recording

Faculty Development Part 1: Sensitive Topics – Curriculum Development and Delivery - VIDEO

The 2023 faculty development webinar is a two-part program. This first part provides techniques on how to effectively address, develop, and deliver curriculum that is considered difficult, including the importance of laying ground rules and creating a safe space for all participants. It promotes greater awareness to identify sensitive topics to feel more confident when facilitating discussions on subjects such as race, gender, and sexual orientation.
