Dear Senator Marshall:

Thank you for your February 1, 2024, letter to the Office of the Secretary of Defense regarding Cnano Technologies, USA Inc.'s announced investment in a manufacturing facility located near military installations in the state of Kansas. I am responding on the Secretary's behalf.

We are working with the Department of the Treasury, in their role as the Chair of the Committee on Foreign Investment in the United States, to prepare a response to your letter and anticipate that it will be completed by the end of March. Thank you for your continued support of the Department of Defense. I have sent an identical letter to the other signatories of your letter.

Sincerely,
